## OR-LoW Campout

Silverton, OR August 15-19, 2016

Those attending the August campout at the Silver Spur RV park in Silverton arrived to blue skies and sunny weather. Campers included Helen B., Celeste V., Cecil K., Karen M., Gloria L., Birdie N., Kathy B., Nan O., Richard S., and Laverne M. We also had a visitor; Helen P. recently of Florida. She is looking around the PNW as her new stomping grounds.

On Tuesday the group went to Thomas Kay Woolen Mill in Salem. The original Kay Woolen Mill opened in 1890 with a workforce of 50 who labored 60-hour weeks. In 1895, a fire destroyed much of the mill and outbuildings. The mill was rebuilt in 1898.
