

# OR-LoW Good Times

or-low.org

---

January and February have been busy months in Yuma. Happy hours four days a week and breakfasts two mornings with various groups.

Your editor has heard from several OR-LoW members who remained in Oregon for the winter and it sounds like the drought is over as Oregon has had plenty of rain and snow.

It will be good to see everyone in April at the luncheon at Elmer's.

OR-Low has a new website that is up and running. Please take a look at it and let us know how much you love it! or-low.org is the address.
