

# OR-LoW Good Times

OR-LOW.ORG

our April luncheon was attended by 10 OR-LoW members, including Becky Norris who has rejoined our group. Sadly, Lori N. has decided to hang up her keys so we said "Farewell" to her.

We now have a Facebook page for OR-Lows so please use it. Nan can add you if you are not already a user.

Lori N. reported that she signed us up for an ad in the Oregon RV Resources Guide to help increase publicity and bring in new members. You may be able to find the newspaper at RV parks in Oregon.

## Upcoming Events

### June 20

Jack Creek Campground,  
near Sisters, OR. No  
reservations are required.

## Important Announcement

With Lori's resignation, we now need someone to coordinate the winter luncheons. If you are interested, please contact Celeste

Our first campout of the 2016 season was held at Waterloo Park, Lebanon, OR. It was attended by Gloria, Karen G., Karen M., Kathy, Cecil, Glen, Nan, Celeste, Laverne, Dorothy and Becky. Helen drove up one day and visited with us and stayed for dinner.

Most of us were so eager for camping season to start that they arrived a day early, amidst the rain. It rained off and on during the week but since the campout was in May and in OREGON, it was expected.

Monday night we enjoyed a group dinner of Chicken Tortilla Soup.

Tuesday seven of us saddled up and rode into Lebanon for lunch at Ma's Chinese Restaurant.

## In the Community

**Sadly, today I received news that Kathy Richardson passed away this morning (May 27). She was diagnosed with lung cancer shortly after purchasing her house in Lebanon and moving there. I have not heard yet about services but will forward that info when I hear that news.**

Our July c/o is in Newport. There will be a potluck at Dorothy's house on Wednesday. First we will have happy hour then the potluck. For a mere \$10 there will be a seafood fest. More details to follow. Don't forget to make your own reservation for the Annex or you can dry camp across the street if you want (also requires a reservation)

Dorothy will host the July c/o in Newport and Laverne will cohost the October c/o with the NorWest LoWs. Please consider being a host. You don't need to provide a meal, just a few activities in the local area.

The meeting was adjourned.

On Wednesday another journey into Lebanon netted a fun trip to the local furniture store. It is huge and everyone had to rest after looking at all of the displays.
