OR-LoW Good Times

Fisherman's Point Campground, Falls Creek, OR

September 20-23, 2015

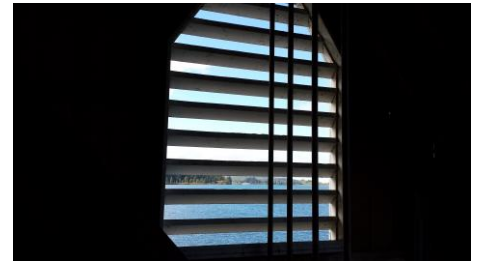

The September campout started on Sunday, September 20th with campers *Lori N., Gloria L., Karen M., Celeste V., Cecil K., Kathy B., and Nan O.* in attendance. The weather was beautiful but the lake and river were very low due to the continuing drought in Oregon.

On Monday all of us piled into cars and drove to Pleasant Hill for pizza. *Laverne M.* met us there and continued back to the campground with us. Hiking, talking and Rummikub rounded out the activities for the day.

Tuesday brought a yummy assortment of food for our potluck. Newly elected President *Celeste V.* called the business meeting to order before happy hour.

New committee : Publicity. *Laverne* and *Lori* will be getting the word out about OR-LoWs and the fun and excitement of our group. Several ideas mentioned were to post notices on bulletin boards at RV parks, RV stores, senior centers and grocery stores. *Lori* will work on the design and will present it to the group in *Garibaldi*.

Luncheons : will be held in November and April only this winter. They will continue to be on the 3rd Tuesday in Salem at *Elmer's* restaurant.
